

Yard Waste Solution

Deffenbaugh Industries offers a subscription curbside yard waste program through which we will collect your grass clippings, leaves, and small twigs.

Yard Waste Program Guidelines:

- The subscription curbside yard waste program is from March – November.
- If your collection day falls on or after a holiday, your yard waste will be collected the next day. Please see reverse for our 2012 collection calendar.
- Collection is limited to six bags or bundles, per week, during the months of March, April, May, June, July, August, and September.
- Extra bags or bundles must be stickered, in order to be collected.
- Collection is limited to 10 bags or bundles, per week, during the months of October and November.
- Stickers for extra yard waste are sold in sheets of 10. The stickers are \$1.25 each and available for purchase from our office, from city halls, and retailers across the Kansas City metro area.
- The preferred yard waste receptacles are kraft paper bags, available at local hardware stores. Yard waste in plastic bags will not be accepted.
- Approved rigid containers may be also used and should be 32 gallons or less. Nothing should protrude from the container.
- For the safety of our drivers, rigid containers of yard waste and limbs should weigh less than 50 pounds.
- Limbs should be no longer than four feet in length and tied with string into bundles no more than 18 inches in diameter.

Kraft paper bags are available at local hardware stores.

2012

Yard Waste Collection Calendar

Please note: collection will not occur on the dates highlighted in orange. If your collection day falls on or after a holiday, your yard waste will be collected the next day.

January (no collection)
